

FEATHER RIVER RAIL SOCIETY AGENDA REPORT

DATE: October 27, 2003
TO: Board of Directors
FROM: Director Cochran
MEETING: November 1, 2003
ITEM: Hap Manit Material boxcar
SUBJECT: Current Progress

While I have made progress on cleaning out Hap's Boxcar this last summer there is still much work to be done.

With help from Norm, there have been several trips to the Dumpster, several boxes gone through, and materials sorted. I have been able to clear the door opening so that we can now enter the car without anything falling on you as you enter.

Several boxes of material have been brought back into the museum for the WPRRHS car, some magazines left for the volunteers to read and general cleaning.

This project will take at least another summer to complete.

The progress so far had been hard to just be able to get in the door, with that done this year, the rest of the work should move along quicker.

ACTION: Report.
