

2015 Convention Report

January 2015

Getting things set up with the Red Lion has been complicated by the departure of the previous event coordinator and then getting up to speed with a new one. We should have had papers signed last month, but several emails and calls have resulted in only promises to send paperwork with nothing yet received.

We are set up with Nevada Northern for the tour on April 26.

I have 4 shows confirmed and 1 tentative. I am still needing 5-7 more shows. President McClure is assisting me in finding a speaker and Scott Inman has also made some suggestions.

Thank yous to Don Strack, Mike Mucklin and Kyle Wyatt for their assistance and suggestions so far.

I have the advertising for the convention nearly complete, but would like to have the hotel / convention center papers signed before opening ticket sales. I have called / emailed them again and am hoping for some response by Monday.
