

All the vendors sync with QuickBooks, allow for Gift Cards and Discount promotions and provide 24/7 email and phone support (except Vend which is email only). They also have reporting, management and ordering tools.

All work with credit card processors or have their own processing.

Of the four, Shopify looks the best for us at first pass. Revel and Square are highly rated and recommended.

I would recommend that a temporary committee be appointed to provide a more detailed evaluation of these four options, analyze current POS costs and report back to the Board with a recommendation at the July Board Meeting. I would recommend Leisa Wesch, Kerry Cochran and one other for this committee, if they are willing.
