PATRICK RANCH EVENT

Patrick Ranch Museum in Chico is having an event on June 9. Loren Dunlop forwarded me the info below and I have reached out to the event asking for vendor details. Hope to have more info at the meeting.

If we decide to attend, I would recommend sending some items for sale and a lot of promotional material, perhaps also some discounts for admission. We would need at least 3 volunteers to handle a booth, although 4 would be preferred.

One idea would be to do an hourly raffle, with the final prize being an RAL certificate.
