### **2019 WP-PCR CONVENTION**

Planning is moving along on the convention. Letters are soon to go out for raffle donations and vendor invites. We have confirmed that a van will be available for transport between the event center and the hotel. The joint convention committee will be meeting at the McClellan center in early November to discuss various details.

So far, I have about 5 shows confirmed with 4 tentative. I am looking for more.

Presenters confirmed:
