

Historical/Archive Department Report

10/6/2020

Over the last month we have received several donations from some of our supporters that make donations each year.

Several of these donations have been sent to or dropped off at our President's resident to be taken to the museum. All have been moved to the museum and are waiting the return to the museum being open again so that we can inventory them.

Should there be any questions on donations or the archives during this time, please contact the Archive Department or any of the contacts on our website and someone will get back to you.

We continue to get several questions during the last month and we have answered all of those questions.

There are several members that have helped with the archives that it goes beyond me just saying thank you. The help I receive is great and I could not do it without this help from all the members.

If you have not visited the Historical/Archive Department web page recently, please consider looking at them to see "What's New" in the Western Pacific Documents page.

We have added more materials to the Historical/Archive web pages. There is a scheduled release of new material throughout the end of this year. Please take time to view the Historical/Archive web pages and see what's new.

Needs for the Archives:

We are always looking for help in getting materials properly stored and we need the support of the membership with helping supply storage materials for the archives.

We still need help in getting funding and storage materials for the archive department. Should you be able to help out, please let us know!

Items listed below are still needed to help keep our collection stored properly and should you wish to help us out, we certainly would like your donation and help.

- Computer program to track all the Historical/Archive items
- Original copy of Windows 10 to be used in the Archive Department
- Archive storage boxes for 35mm slides
- Archive storage boxes for 8 1/2 X 11 materials

I have been in contact with one member who has indicated that they will donate eight (8) plastic archive quality 8 ½ X 11 storage boxes for the archives.

Should any member receive any donation and/or get an inquiry about a donation, please get in touch with Eugene, Frank, myself or any member of the board of directors so that we may follow up with the donor to make sure we properly address the donation or inquiry.

I would also like to thank all the volunteers that help us in the Historical/Archive Department.
