July/August/September 2022 Issue #194

The actual costs for mailing issue #194 slightly exceeded the original estimate so, we received an invoice from Pine Press, # 00055276, for \$3.00. Hassan at Pine Press agreed I can wait and include this with the next invoice from Pine Press so we don't have to cut a check for such a small amount. We have had small credits and debits that we have rolled into the next job several times before.

October/November/December 2022 Issue #195

Articles (or at least ideas):

- President's Pin (Greg Elems)
- Pumpkin Express (NEEDS AUTHOR)
- Santa Trains (NEEDS AUTHOR)
- 2023 Election (Matthew Shuman)
- Historical/Archive Department – Happings in 2022 (Kerry Cochran)
- WP 302 Update (NEEDS AUTHOR)
- Grant Update (NEEDS AUTHOR)
- 2023 Convention (NEEDS AUTHOR if we want more than just a notice)
- 2023 Crew Training/Operations Plans (NEEDS AUTHOR)
- Fall 2022 Steam Department Update (Roger Stabler ???)
- Others???

We need to have people step up and let me know which articles they will contribute. Due to the need to get the election information out to the membership in a timely manner and the holidays, I would really like to have the articles (except Santa Trains of course) by about December 15th so I can layout the issue and get it in the print shop the first week of January.

Unless someone steps up and lets me know for the articles marked "NEEDS AUTHOR", these articles will not be in the next issue.
