### **WESTERN PACIFIC CELEBRATION**

We propose that we promote the Saturday before official operating season opening as a Western Pacific Celebration. We would provide guided tours and have train operations with WP 0-6-0 165 and possibly WP SW1500 1503.

Museum would open at 10:30 AM following a rescheduled Volunteer Breakfast held in the Silver Plate at 9:00 AM. Eugene Vicknair will handle coordination of the breakfast and act as tour guide for the event.

Further discussion of proposed event will occur in the meeting.

### **REQUESTED ACTION:**

Approve the event.
