

**FEATHER RIVER RAIL SOCIETY  
AGENDA REPORT**

DATE: December 8, 2023  
TO: Board of Directors  
FROM: Eugene Vicknair / Kerry Cochran  
MEETING: December 9, 2023  
ITEM: Old Business 1  
SUBJECT: Proposed Lake Oroville Railroads Photo Book Jim Lekas and additional materials

Sadly, Jim Lekas passed away just after Thanksgiving. However, in discussing the proposed book with various persons, including Dale Sanders, Kerry Cochran and Frank Brehm, we are intending to move forward as Jim had approved the expanded "Lake Oroville" concept.

In addition, I spoke with friends of Jim including Jim Atkins and Ken Rattenne and they not only do they approve but they wish to assist with the book. Jim Atkins will be travelling to Virginia in the spring to assist Jim Lekas' son Kevin in going through his father's collection and reviewing materials relevant to the book.

The plan is still to use materials written by Kent Stephens as well. Last weekend, I assisted Dale Sanders in some archive research and we located some photos and materials relevant to the proposed book.
