

FEATHER RIVER RAIL SOCIETY

General Superintendent's Report

Kerry Cochran

Date: January 3, 2024

First off, with this report, I would like to thank all the volunteers and members who took the time out of their busy schedules to come and work at the museum this last year.

As we move into the 2024 season, I hope that everyone keeps safe during the winter weather.

I hope that everyone had a safe and happy holiday season.

We need to reach out to all our volunteers and welcome them back to a new year at the museum and support each and every one of them.

Having a few members join the Operating Department last year has helped out our overall staffing of the caboose trains during the summer.

We also had several members and other family members come to the museum and support us for our Pumpkin Express trains and the Santa Trains.

All of our time is valuable and I for one certainly appreciate all the help all the volunteers give to the museum.

Please support all our volunteers and "Say; Thank You" to them as they perform work around the museum. We need to show that each and every one on the volunteers mean a lot to the work we do and that each of us in management positions appreciates the time and work they do.

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.

Thank you to all,

Kerry Cochran
Director/General Superintendent
