PRESIDENT'S DESK

Our collection continues to grow. Not to grow is to stagnate. We must be on the alert to the availability of cars and locomotives that we would like to have in our museum. From a practical standpoint, however, we do have space and restoration limitations. On the other hand, it would be a shame to allow a historic item to be reduced to scrap just because there is no room for it. Our goal is to preserve railroad equipment for future generations. The equipment we save today will be preserved in perpetuity. Summertime is when we do most of our restoration and maintenance work. Members who can, are encouraged to help with the physical and/or financial assistance.

ANNUAL MEETING AND NEXT SOCIAL MEETING

Our annual membership meeting was well attended. The members enjoyed a BBQ dinner prior to the meeting catered by B&B from Quincy. Following a short business meeting with various department heads reporting on their activities, Chris Skow showed one of his South American steam movies.

Our next Social Meeting will be on August 20th. It will be held in the Mike Flannery Room at 7:30PM.

Enclosed with this issue are two raffle tickets for a free trip to see trains in Guatemala courtesy of Chris Skow's Trains Unlimited. You are under no obligation to purchase the tickets, but if you do they are \$2 each.
